SUMMARY:

Innovative and self-motivated computer engineering student with keen interest in programming and developing technical solutions for betterment of society. Looking forward to learn more in domains like mobile development, machine learning, blockchain, etc

SKILLS:

Programming skills: Java, C++, Python, Javascript

Web Technologies and Frameworks: HTML, CSS, React js, next js, JSP, Hibernate, PHP

Deployment and version control: Vercel, Netlify, Git

Libraries: Bootstrap, Tailwind, Material-UI

Databases: Mysql, Firebase, MongoDB, Mysql Server

EDUCATION:

2021 - NOW | Dr. D.Y.Patil college of Engineering, Akurdi (SPPU)

Bachelor in Computer Engineering | SGPA: **8.86**

2018 - 2021 | Government Polytechnic, Nashik

Diploma in Information Technology | Percentage: **95.31%**

PROJECTS:

Result Generation and Analysis

Full-Stack Web Developer | 04/2020 - 05/2021

- Built an result generation and Analysis System for GPNashik college. This system deals huge data i.e. with 10+ branches and 3000+ students data.
- Worked on product design, backend, security and deployment aspects of product.
- Technologies: Java, JSP, Servlet, Bootstrap, Hibernate, Git, Mysql

Coin-Stack

Mobile Development | 01/2022 - 05/2022

- Built a paper trading app in crypto. Simulates the same environment as real world trading without risking actual money.
- App available for Android as well as IOS & provide features like buy and sell, realtime access to information and charts, predefined baskets, customizable portfolio section, etc
- Technologies: React Native, Expo, Redux, Node js, Tailwind, Firebase

Dynamic Shop Application

Full-Stack Web Development | 05/2020 - 10/2020

- Full customizable solution for any shop system like grocery, book, hotels, etc. Worked on frontend, backend schema design, performance improvement & security aspects.
- Technologies: ASP.net, C#, mysql, javascript

ACHIEVEMENTS:

Microsoft Hackathon Winner

Won a Microsoft Azure's Future ready Applications Hackathon also got the prize money of 20k.

Olympiad Gold Medal

Won a gold medal in International English Olympiad

MS-CIT Exam

Secured **98%** in MS-CIT examination an Information Technology (IT) literacy course
